Question: Are you a church?

Answer:

Dear Sir,

Thank you for contacting Living Springs. We received your phone message, as well as your e-mail, and I wanted to get back to you concerning your question. Yes, we are an independent church organization; and in times past, we did have regular weekly services. However, in recent years we have had far more success with our publications. This being true, it has been awhile since we have attempted to maintain a regular facility for holding weekly meetings.

It has become Living Springs' primary ministry to provide Bible based teaching through our website and our print publications. This effort takes the bulk of our time and resources, but we find we are a help to far more people doing this than we ever were as a weekly service kind of ministry. So, these things will continue to be our primary ministry unless God directs otherwise.

If you like what you read on our website I want to encourage you to subscribe to our free bimonthly publication called *Shaqah*. Most of what we produce appears in this publication. As we grow in this effort, we also hope to get some books and specific Bible teaching courses into print; and as we do, we will use *Shaqah* to let everyone know about those items.

Living Springs may not be the exact kind of ministry you are looking for, but I believe you may still find this ministry to be valuable as you walk with The Lord! Thank you again for your interest in Living Springs, and we pray The Lord will direct you as you seek to find His will for your life!

Sincerely,
