Holocaust Remembrance Day Proclamation

Holocaust Remembrance Day
April 14, 2026

The members of Living Springs recognize the Holocaust as an important event in history. We grieve the loss of over six million Jewish lives, as well as others, taken during the Holocaust. We stand in recognition of the great price paid to halt the regime responsible for these events.

We recognize and denounce calls for the destruction of the nation of Israel and the Jewish people. We stand firm against the continuing international trend to erode the sovereignty of Israel and the identity of the Jewish people; as well as false claims of human rights violations.

We are grateful for the leadership the nation of Israel has and continues to provide, as well as the sacrifices they have made in the fight against terrorism, which threatens us all.

We would like to thank President Trump for finally fulfilling the promise that the US Embassy be moved to the eternal capital of Israel, which is the city of Jerusalem.

May God bless the Jewish people as they exercise their right to return to the land God gave them. For the good of all, may the world never repeat, and always remember, the tragedy of the Holocaust.
